William (Bill) Vignos is no stranger to the airwaves, but how many hams know they must visit Bill for an eyeball QSO? W8RNL has been confined to bed for some 13 years, a victim of Multiple Sclerosis.

Bill has been interested in ham radio for many years, but it was a visit from W8FMW Ann Hughes seven years ago that convinced him, that he too could become a ham.

Bill and his XYL Dorothy live at 3057 - 6th Street S.W. Canton, Ohio. Four children - two girls, one in Carrollton, and one in Omaha. Two sons, one in Canton, the other in Chicago - plus one pet dog 'Tammy'

In spite of his handicap Bill runs an electro plating business and specializes in antiques.

A Misner - 150 B Transmitter with a Lysco exciter and a Hammerlund receiver comprises the shack along side of his bed. Bill listens for CQ'S and HI'S from passing mobiles.

Field Day Summary 1962

Operation field day 1962 is now past history for the Canton Amateur Radio Club, with Charles Rex K8MZS as chairman, the club was guided successfully to a new venture and record score.

For the first time in 15 years the club entered the four transmitter class. In 1947 our score with four transmitters was 231 contacts, for a score of 3420 points.

One week before FD equipment was put into action, 9 miles south of Canton, at the Sandy Valley Outdoor League's gun range. The location proved to be ideal, as the score will show.

Most of the gear was operated nightly, for a few hours. New hands were made familiar with the tuning procedure of the various types of equipment.

At 2200 GMT-6/23/62 all word, was GO. If you had a hand in making this years FD one to remember, here is your copy of the final summary.

41 operators tried their skill at the mode of their choice. More than ever before in the history of our club.

The score was obtained by combining the results of the experts, with that of the lids. No rivalry was shown between the A-1 and A-3 and for a club that is the way it should be. Thanks to the operators, loggers and workers for a job well done.

Thanks to the YL's and XYL's for their donations of food and services, this was greatly appreciated.

Thanks to the following individuals for services and equipment.

To the Ohio Car and Truck Co for the truck

To the Finney Co of Bedford Ohio for the 6 & 2 meter beam. By the way 202 contacts with 1212 points, is the best score made locally on 6 meters.

To Walkeradio and Hy-Gain Antenna Products Co for the TH-4 beam.

To Bob Van Nostran K8DRS and Chuck Keeton K8OBW for the 6 meter gear.

To Dave Domer W8GSK of Domer Electronics for the portable mast.

Our thanks to Mr Steve Cable of U S Ceramic Tile Co for permission to use the hill top. James Gilliam K8ZEO of Gilliam Antenna Service for tower and erecting the 6&2 meter beam.

Candy, Cups and coffee through the courtesy of Ed Kent K8EML and the Kent Vending Co.

The soft drink cooler was furnished by Frank and Ginny Hogue K8SND and K8VWW. The six meter tent by Dick Kretzinger W8KXP.

Last but not least we would like to express our appreciation to the Sandy Valley Outdoor League, and may our conduct rate an indorsement to return, should it be requested.

BY - LAWS SEC. IX (Elections)

Nominations for Officers and Board of Trustees shall be made at the first meeting in September of each year.

Elections shall be held at the second meeting in September.

The regular meeting of September 5, 1962 Will be nomination night.

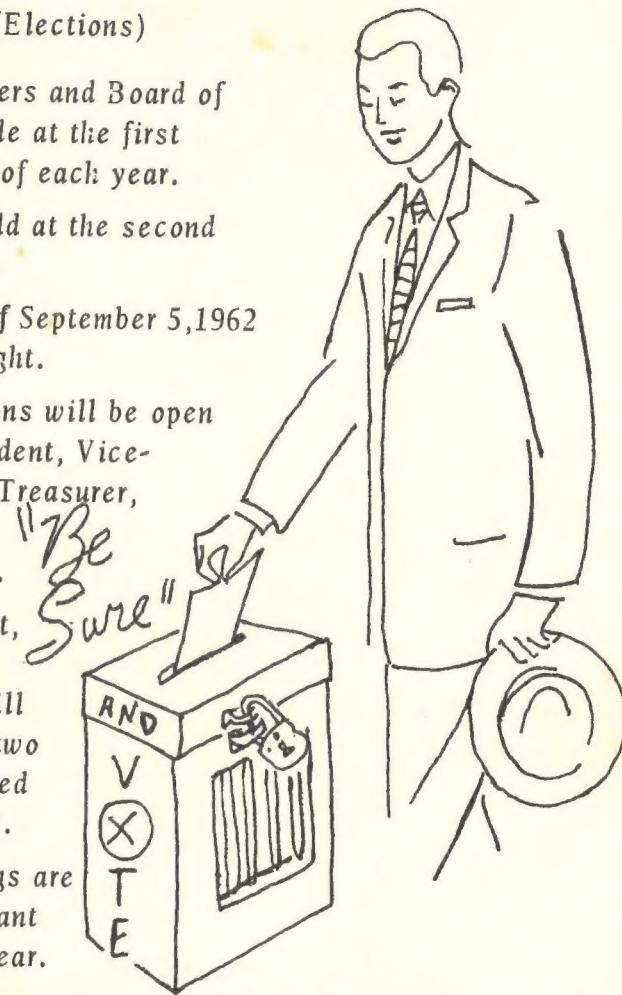

At this time nominations will be open for the office of President, Vice-President, Secretary, Treasurer, and two members of the Board of Trustees.

The office of President, Vice-President and Secretary-Treasurer will be for one year. The two Trustees will be elected for a three year period.

The September meetings are two of the most important meetings of the club year.

Let's have a big turn out. Remember the members nominated and elected in the September meetings will represent you for the next year.

Don't leave it up to Joe - Be there in person to nominate the member of your choice. Then attend the second meeting in September . . . to help elect your choice.

If we have missed any one with our word of appreciation, please accept our apology, as it was not done intentional.

As field day came to a close, the added attraction was the drawing for a Johnson navigator. The winner was John Kovach K8BNR.

"PICNIC AUG 19 "

This is not a Hamfest, but closely related. Family affair so bring the gang, rain or shine, and a basket full of goodies.

Committees are busy getting things in readiness. John Blazekovich K8KTM is chairman in charge of prizes. So if you have anything suitable for prizes, contact John.

Place! shelter #6, 38 th st NW. Canton Ohio. Mobile check in on 28.8 and 50Mc.50 Mc freq unknown, so do a little tuneing.

Time : 11:00 AM to?????. see you at the picnic.

The drunk on his way home accidentally staggered into the zoo and ended up in front of the hippopotamus cage.

"Don't look at me like that, honey," he yelled, "I can explain everything."

And then there's the bus that stopped at every post along the road.
It was a Greyhound, of course.

We congratulate the Buckeye Belles on getting the 1964 YLRL international convention. If the Feedline can be of service to the YL's with their project, please feel free to ask for it.

Rod Huron K8UKH youth minister at the First Christian church has resigned this position and has accepted pastorate at Stubenville Ohio.

Jack Luck K8HUI our cover subject for May has accepted a position with Nation-Wide at Butler Penn.

To Rod, Jack and their families we extend from the Canton Amateur Radio Club, our very best wishes.

Found another harmonic at the QTH of W4UEX/8. Salley informed us that our count of three was incorrect, it should be four. Denny Frey K8NIB has a new HQ 145 X. Jess Grund K8BZI has a new Ranger 2 and a TA 33 Jr to go up soon. Jess is handicapped by blindness but received his conditional license in April, after less than one year of novice operating. So be on the look out for K8BZI.

A new general is K8DQW Michael Holben of North Canton.

News item from 28.8, sounds like Ike and Bob Heiks K8YLK and K8VLU is going hi-power with a Globe King 400.

Elmer Carpenter K8DGT and XYL Mildred K8DGZ have received their technician ticket. Elmer hopes to land the general at the convention this fall.
